As you may be aware, the Board has initiated its search for a new superintendent. To counsel us through this important process, we have retained the services of Hazard, Young, Attea & Associates, Ltd., a consultant firm that specializes in assisting boards with the consideration of candidates for the superintendency.

A key step in this process is to identify the characteristics we will be seeking in our new superintendent. We would greatly appreciate your input and assistance with this important task. You are invited to participate in this process by either attending one of these Open Forum meetings or completing a *Leadership Profile Assessment Form* which can be found at www.capousd.org under "Superintendent Search". If you plan to attend a public forum, we encourage you to bring a completed *Leadership Profile Assessment* form. If you are unable to attend the forum, you are welcome to submit your form by February 17th to:
